*Including present laws of 200,000 shares. We summarize from a letter by Mr. Joseph F. Guffey, President of

Buiness-Company was incorporated under the laws of Delaware in September, 1918, to assume the business theretofore conducted as a partnership by Messrs, Joseph F. Guffey and E. N. Gillespie, who have been engaged in the production of crude oil and natural gas for many years. The sale of the present issue of 200,000 shares of stock has been determined upon to provide payment for certain oil and gas properties in West Virginia, Oklahoma and elsewhere, to increase working capital and for other corporate purposes. New issue will place about \$800,000 additional working capital in treas-

Operation-Company operates principally in Mid-Continent, West Virginia and Texas fields, where it has leases on about 200,000 acres of oil and gas properties. Present daily production of oil is over 2,000 barrels, which is expected to be materially increased from new drillings on present properties and from development of recent acquisitions.

ary after providing payment for newly acquired properties.

Earnings-Actual net income for eight months ended April 30, 1919, was at rate of over \$4 a share per annum on the then outstanding Common Stock and it is conservatively estimated that earnings for coming year will be at the rate of over \$6 a share on the Common Stock outstanding.
